

Unique characteristics

9000E II care kitchen mixer

An optimal fusion of design and function. The FM Mattsson 9000E range ushers in a new generation of mixers that are environmentally engineered down to the last detail. The mixer has an extra long lever, providing an easier grip for weak hands. This is just one of the special solutions that make our products ideal for a lifetime of use. In short, FM Mattsson has a mixer design for everybody.

Article number: 80004010
