

Cone remover tool/adaptor

Article number: 60982010

Description: Adapter For pipe \varnothing 12 and \varnothing 15 mm and/or \varnothing 18 and \varnothing 22 mm pipes (Included in FMM 6098-2000)

- For mixer mounts
- For pipe \varnothing 10. With adapters for pipe \varnothing 12 and \varnothing 15 or \varnothing 18 and \varnothing 22
- For removing the cone while keeping the pipe in one piece. The gasket surface/flange on the cone is cut off so that the end of the tip of the pipe is made visible. The cone is pulled onto the adapter.
